**Interview Summary**

The undersigned Applicant's representative interviewed Examiners Fisher, Araque and Plucinski on October 12, 2011, to discuss a claim proposed by the Examiners, as well as several allegedly prior art references provided by Examiners Fisher and Araque. The undersigned noted that several of the references are not valid prior art under 35 U.S.C. §§ 102-103.

The Examiners also indicated that a substantive Office Action will not be forthcoming for several additional "bi-weeks". In an attempt to expedite matters, Applicant may supplement the previously filed RCE with evidence that Applicant reduced the claimed subject matter to practice earlier than the respective critical date of each respective allegedly prior art reference.

To the extent that the Interview Summary dated October 21, 2011, issued by the Office purports to attribute any language to the claims not specifically appearing in the claims, Applicant notes that the claimed inventions are recited in the listing of pending claims and that the language of each claim speaks for itself. Applicant denies any allegations in the Interview Summary dated October 21, 2011, that any features not appearing in the claims somehow describe the claimed inventions.

Agreement was not reached. Nonetheless, the undersigned representative notes with appreciation that Examiners Fisher and Araque and SPE Plucinski agreed to conduct the interview.

Although none are believed to be due, the Commissioner is hereby authorized to charge any fees, including extension fees, or to charge any additional fees or underpayments, or to credit any overpayments, which may be due in this matter to Deposit Account No. 50-1001.

Please contact the undersigned by telephone if such contact would further the examination of the present application.

Respectfully submitted,
